### **???New O'Brien Launch Open**

Location...number of parking spots....other features

Notes from January 2014 meeting.....There will be an AIS area at our launch with a bin to empty water and dump vegetation brought out of lake. There will also be signage about invasive species. The site will be monitored once open by an inspector out there over a short period of time to determine how much use and where boats are coming from. We may see DNR once or twice a summer.

### **GOLA Website**

The lakeshore association website can be located at <http://www.golamn.org>.  
The hosting service is being provided by Crosslake Communications at a reduced rate. This site is the fastest way to get information out to members. Bring your ideas for content to the meetings or send an email to rancourm@aol.com.

There are links on the website to several sites of interest to lake residents. The DNR, Minnesota Waters and WOPOA sites have extensive relevant content.

## Annual Membership Dues

We encourage everyone with property on the lake to join our association. The last page of the newsletter has a form to submit with your annual dues. Dues are \$20 per year per household. The last year you paid dues is in the upper right of the address block of the newsletter. Please make your checks out to GOLLA and mail to PO Box 674, Crosslake, MN 56442-0674. Contributions to the Walter Israel fish fund tracking separately and by lake. If you send fish fund contributions along with dues, please let us know how much for each. The next stocking will be in the fall of 2014.

## Water Quality Testing

Volunteers continue to test the water routinely during the summer. The information collected is available on the NR website at: <http://www.dnr.state.mn.us/lakefind/index.html>
