All meetings are at the Crosslake Legion Club.

O'Brien Launch Site Update from DNR

"The property has been acquired and demolition of existing structures is complete. A requisition for the engineering has been submitted. The ramp is being prioritized ahead of parking. The near term goal is to have a minimally functional ramp operational by the

2013 fishing opener. This is subject to weather conditions. Other goals are to award a bid by July 2013 and to complete the site by the fall of 2013."

GOLA Website

The lakeshore association website can be located at <http://www.golamn.org>.

The hosting service is being provided by Crosslake Communications at a reduced rate. This site is the fastest way to get information out to members. Bring your ideas for content to the meetings or send an email to rancourm@aol.com.

There are links on the website to several sites of interest to lake residents. The DNR, Minnesota Waters and WOPOA sites have extensive relevant content.

Annual Membership Dues

We encourage everyone with property on the lake to join our association. The last page of the newsletter has a form to submit with your annual dues. Dues are \$20 per year per household. The last year you paid dues is in the upper right of the address block of the newsletter. Please make your checks out to GOLA and mail to PO Box 674, Crosslake, MN 56442-0674. Contributions to the Walter Israel fish fund tracking separately and by lake. If you send fish fund contributions along with dues, please let us know how much for each. The next stocking will be in the fall of 2012.

Sign at the Y

The sign at the Y is being refurbished. In addition to space to place notices, a larger version of the map in the center of the GOLA directory is planned. If you have other suggestions please send an email to Mike Story, mstory9@gmail.com.

Lake Access

A friendly reminder that public waters are available to the public--this includes the entire water body and incidental use of the beds, such as anchoring on a sandbar off-shore. Please be respectful to homeowners' property near these locations and make sure to pick up any trash that may fall into or is found in the water. (There has been mention in the past of finding broken glass near these areas.) In addition, please be alert of swimmers in shallow areas and lower your speed of your watercraft when passing by. Everyone wants to enjoy the water and have fun, but please be respectful and safe. Homeowners please share these rules and courtesies with your guests. Let's be good neighbors to all!

Water Quality Testing

Volunteers continue to test the water routinely during the summer. The information collected is available on the DNR website at:
<http://www.dnr.state.mn.us/lakefind/index.html>
