GOLA Directories:

- 2017 was the last updated directory.
- Board looking for a volunteer to help create a new directory

Decontamination Station

- If you have someone bringing their boat into one of our lakes, please encourage them to use the decontamination station that is provided by the County.
- There are posted hours and you can also call ahead and make an appointment.
- MAISRC website – Sylvia volunteered to look into going.
- Contact the County to have a staffed person checking boats at launches (Through the County)
- Motion Desired: To have GOLA look into writing a letter for a motion to have additional County support to monitor the boat launches (motion made by: Cathy Svihel)

Fish Fund:

- Depleted at this point because the lake was stocked in 2018.
- Volunteered donation in both O'Brien and Goodrich.
- Association collects the funds, we stock every other year. Next stocking will be in 2020.

- We put in approximately \$2000 worth each time, divided by both lakes.
- Exceptional year in 2018, we put in \$2700 worth.

Association Involvement:

Election will take place in the Fall of 2019.

Rental Properties

- Motion Made: All rentals need to have a document posted in their rental of lake details, phone numbers, boat operations, etc. Would like to have cards
- Doug – has an older copy and was asked to supply them to Harold to review and get additional ones created.
- Sylvia- Suggestion: Take a book, leave a book nook idea for having details around the lake etiquette rules, etc.

Septic Tank Regulation Change for Crosslake City Limits:

- All people that live in the city limits of Crosslake
- Change of septic tank ordinance
- Will happen in the next 12 months
- Add a paragraph to current ordinance requiring pumping at least 1 every 3 years.
- Pumper will have to write up a report and submit to the City of Crosslake.
- If you do not follow these new rules, people will be subject to a fine.

State Land:

- For anyone that chooses to hike the State land, please pick up any garbage you may see.
