GOLA Bank Account Balances

General Fund \$9,735.88

Fish Fund \$5,016.56

Through June, 2022

GOLA Meeting Notes from May 28, 2022 Meeting

Motion on the floor – meeting minutes were approved.

Old Business

Fish Stocking of Perch

For the Fall of 2022, GOLA will be stocking perch and walleye.

Approval from DNR & the funds are available.

Steve: Fish Report

Met the \$5,000 goal this year.

Cost of fish is going up.

2024 fish fund donation goal is \$5,000 to \$6,000.

Garage Sale

Reminder on dates = Thursday, 7/28 to Saturday, 7/30.

Contact Lynette Bourcy if you would like to join the map/advertisements

Fiber Internet Update

The fiber was installed by the road last Fall, 2021.

Currently Crosslake Communications is working on hooking up individual homes now.

If you would like to sign up to have installed, contact Crosslake Communications.

Once the fiber is all hooked up, the cable line will no longer work.

If you sign up for a two year contract there is no fee to get hooked up. Otherwise there will be a fee for those that sign up once the initial connection is complete.

Man-Made Loon Nests

Goodrich – From people in attendance at the meeting, no one knew of any man-made nests on Goodrich.

O'Brien has a one out and the GOLLA provided floating loon sign warning.

Overall loons have been nesting later this year.

Water Testing

Both lake's water testing information is available via the WAPOA website.

GOLLA will continue to participate in WAPOA to help identify any negative items happening in our lakes.

New Business

Sidewalk/Trail

Jane Haubrich volunteered to do some preliminary research on the ability to have a sidewalk/trail along the lakes.

Floor mentioned the DNR has programs to investigate for trails.

Business from Floor

Trees - Safety

With the recent storms, keep an eye out for any down trees in the water.

Multiple trees/stumps have been pulled from Goodrich 6 to 10 feet long.
